Providing Innovative Opportunities for Boone County Schools

March 14, 2020

Dear Night At The Races Ticket Holder,

After a thorough review and many conversations, the Boone County Education Foundation (BCEF) Board of Directors has decided to postpone this year's **Night At The Races** fundraising event due to the current State of Emergency that exists with our school system, state, and nation. In addition, Turfway Park is restricting the use of their facilities because of the Coronavirus. In compliance with Boone County Schools' decision to move to Non-Traditional Instructional (NTI) days, we are taking these measures in order to set our students' and community members' health as our first priority. The health and well-being of everyone involved in this event comes first.

For these reasons, we are **REFUNDING** your ticket price to you and hope that you will decide to join us when we ultimately reschedule our fundraising event.

Since Turfway Park will be undergoing major renovations very soon, our venue location will change, but our mission of raising money to fund mini-grant and Social Emotional Learning (SEL) opportunities for the students and teachers in the Boone County School System will remain the same. As soon as we figure out when and where our NEW Event will take place, you will be one of the first people to be notified!

**Thank you again for your continued support and we look forward to seeing you in the coming months at our future fundraising event!**

Sincerely,

The Boone County Education Foundation Board of Directors
